

# PATHWAYS TO THE DIVINE

SPIRITUAL TOOLS FROM THE ANCIENT MAYA INDIANS  
FOR TRANSFORMING OUR LIVES

WITH MOLLY LARKIN & JOHN KRALOVEC

**FEBRUARY 24 – 25, 2018**

**UNITY OF NAPLES -- NAPLES, FLORIDA**

- ❖ We've forgotten who we are
- ❖ We've forgotten why we're here
- ❖ We've forgotten how to live a life of balance and harmony

Most of us struggle to achieve our full potential because we've lost this **essential knowledge.**

During this workshop, Molly and John introduce the profound spiritual wisdom of the North American and Maya Indians and share powerful tools and techniques for:

- ❖ Self-healing
- ❖ Manifesting your life's purpose
- ❖ Thriving, not just surviving, in every aspect of life

Through ceremony and guided meditation, John and Molly will also enable participants to personally experience the higher spiritual dimensions and **connect with the Divine Feminine and the Sacred Earth Mother.**

Molly has taught Native American spirituality throughout the United States, Europe and Australia and is the co-author, with Bear Heart, of the international bestseller, ***The Wind is My Mother: The Life and Teachings of a Native American Shaman.***

John has participated in Maya ceremonies in Mexico, Guatemala and Honduras since 1985 and is a gifted Visionary and Seer in the Maya Chilam tradition. His book on his experiences, ***Pathways to the Divine: One Man's Journey Through the Shamanic Realm of the Ancient Maya,*** is available on Amazon.
